Maximize your time & money: Value Mapping your Real Estate Business: Part I

Every Real Estate professional needs to use their resources efficiently.

Too often we do not have the right processes in place, or we experience a lot of waste without recognizing the impact on the bottom line.

In this session, you will learn the benefit of value stream mapping your real estate processes with the goal of increasing efficiency and reducing wastage in your resources, including your time and money.

Registrants are required to complete the February 21st (Part 1) and February 23rd (Part 2) Sessions to acquire the full credits.

Date: Tuesday, Feb. 21, 2023 Time: 11:30 AM – 1:30 PM CE Credit - 2.0*
