

The Voice for Real Estate on Guam

Hafa Adai GAR Members!

I hope this letter finds you well-adjusted and in good spirits after our storm recovery. As we bid farewell to July, I want to express my sincere gratitude for your unwavering dedication and support during REALTOR® Month. Thank to your collective efforts, we continue to achieve remarkable success in promoting the importance of REALTORS® and their invaluable contributions to the community,

In particular, I want to highlight the positive impact we had in the aftermath of Typhoon Mawar, which affected our beloved island. The Guam Association of REALTORS® through the REALTOR® Relief Foundation worked hand in hand to secure a generous grant of \$500,000, empowering us to give back to those in need and organize the Housing Relief Assistance event at the Micronesia Mall over the past three

Saturdays. The success of this event wouldn't have been possible without the commitment and compassion demonstrated by each one of you. It's heartening to witness the real estate community coming together to support fellow islanders in times of adversity.

As we embark on the month of August, we must continue our efforts to uplift our community and contribute to its recovery and growth. I'm delighted to announce that we are still able to accept applications for the Housing Relief Assistance, and reminding the membership that you too are eligible. We will maintain the Micronesia Mall venue and to provide a consistent space to extend our outreach to receive applications and make a lasting difference in the lives of those we serve.

Let's carry forward the spirit of unity and resilience that defines our association and continue to make a positive impact on Guam's real estate industry and the lives of our fellow citizens.

Thank you for being a part of the Guam Association of REALTORS®, and I'm looking forward to your continued success in the months ahead.

Un Dangkulo na Si Yu'os Ma'ase!
