

## The Voice for Real Estate on Guam

Hafa Adai Members!

I hope this letter finds you well. As we enter the month of July, I would like to draw your attention to an important occasion that holds great significance for our community. July is REALTOR® Month, a time when we can come together to celebrate the invaluable contributions made by our real estate professionals.

This year, our REALTOR® Month activities are even more special as we continue to recover from the aftermath of Typhoon Mawar. Despite the challenges we have faced, our community has shown remarkable resilience and strength. Through our REALTOR® Month initiatives, we aim to extend our support and engage in

meaningful community outreach projects.

We are thrilled to share with you that our efforts have not gone unnoticed. The REALTOR® Relief Foundation has recognized our commitment and dedication assisting homeowners affected by Typhoon Mawar. We have been awarded \$500,000 to aid in the recovery and rebuilding process.

The grant will enable us to provide much-needed assistance to those homeowners whose properties were damaged by the typhoon. In the coming days, we will be releasing more information about the application process and the criteria for eligibility. I urge you to keep a close eye on the notifications and bulletins that will be sent out regarding this grant.

Our REALTOR® Month activities will focus on bringing the community together, lending a helping hand to those in need, and fostering a sense of unity and resilience. We have planned various outreach programs and initiatives that will allow us to make a positive impact on the lives of our island residents.

I encourage each and every one of you to participate actively in these activities. Your involvement and support are vital in ensuring the success of our community outreach efforts. Together, we can make a real difference and help our community recover and rebuild stronger than ever before.
