

The Voice for Real Estate on Guam

Hafa Adai GAR Members!

I hope you are doing well and continuing to do great real estate work. As we transition into September, I want to take a moment to express my heartfelt gratitude to all the REALTOR® member volunteers who have dedicated their time and effort to make our Housing Relief Assistance Program a resounding success. Your commitment has made a tangible difference in the lives of our fellow islanders and REALTORS® too who have applied, and we are truly grateful for your selfless contributions.

I also extend my thanks to our dedicated Board who continue to work diligently to review and approve the applications received for the Housing Relief Assistance Program. Your dedication ensures that those in need receive the support they deserve, and it's a testament to the spirit of unity that defines our association. These applications, once approved, will be passed on the REALTORS® Relief Foundation, the organization that made this opportunity possible for us.

As we move through this last month of our Housing Relief Assistance Program, I am hopeful that we can conclude September with a strong impact, assisting as many homeowners and renters as possible through this grant. Your dedication to serving the community is inspiring, and I am proud to lead an association that truly embodies the spirit of compassion and support.

I would be remiss if I didn't thank all the members who registered and participated in the Annual and Election Meeting held on Thursday, August 31st. Your engagement and active involvement are vital to the growth and success of our association. A special shout-out to those who took part in the election of the new 2024 GAR Leadership. Your participation is a crucial step in shaping the future of our organization.

Looking ahead, I want to bring your attention to a couple of important community outreached we are engaged in. On September 16th, we will be participating in the 29th Annual Guam International Coastal Cleanup. We have already registered and are eagerly awaiting our designated location. I encourage all our members to join us in this noble cause, as we come together to preserve the beauty of our island's coastal environment.

Mark your calendars for September 22nd, as we have the Broker's Forum and Legislative Town Hall planned. This in-person event promises to be informative and essential, addressing concerns facing our island community, including the challenges specific to our industry. Your presence and engagement at this event will contribute to shaping a better future for both our association and our beloved island.

Once again, I extend my heartfelt appreciation for your continuous support, involvement, and dedication to the Guam Association of REALTORS®. It is through your collective efforts that we can make a positive impact on our community and industry.

Thank you, and I look forward to the promising days ahead.

Sincerely,

Jodee Duenas
